TEXAS HISTORICAL COMMISSION

HISTORIC TEXAS CEMETERY MARKERS: 2017 Official Texas Historical Marker SPONSORSHIP APPLICATION

This form constitutes a request for the Texas Historical Commission (THC) to consider approval of an Official Texas Historical Marker for a cemetery noted in this application. The THC will review the request and make its determination based on rules and procedures of the program. Filing of the application for sponsorship is for the purpose of providing basic information to be used in the evaluation process. The final determination of eligibility and approval for a state marker will be made by the THC. This form is to be used for Historic Texas Cemetery marker requests only. Use this form if (1) you already completed the HTC designation and (2) you want to apply for a historical marker for the cemetery. Please see separate forms for either Recorded Texas Historic Landmarks (buildings and structures) or subject markers.

NOTE: A final Historic Texas Cemetery (HTC) designation is a prerequisite for HTC markers. Information regarding the HTC designation can be found on the THC website: (<http://www.thc.state.tx.us/preserve/projects-and-programs/cemetery-preservation/historic-texas-cemetery-designation>).

Marker title (must be exactly as listed in the HTC designation):

County:

Town (nearest town in same county on state highway map):

Street address of marker site or directions from town noted above:

Texas State Representative Name:

District #:

Texas State Senator Name:

NOTE: Historic Texas Cemetery markers must be placed at the cemetery being marked. They cannot be placed on right-of-way maintained by the Texas Department of Transportation (TxDOT).

HISTORIC TEXAS CEMETERY MARKERS

Purpose

Historic Texas Cemetery markers are only for use in burial grounds previously designated as an HTC. These markers recognize the historical significance of a cemetery and, with the use of interpretive plaques, provide background on associated communities, families, events and customs. HTC markers must be placed at the cemetery, but since cemeteries are protected under other existing laws, placement of a marker establishes no restrictions on the property.

Criteria

1. **HTC designation:** All steps of the HTC designation process must be completed by the time of application for the HTC marker.
2. **Historical/cultural significance:** Completion of the HTC designation does not ensure approval for an HTC marker; it is only a prerequisite. The application for an HTC marker with an interpretive plaque must include the same type of detailed history required for other markers. In addition to Context, Overview and Significance sections, it must also include a description of the physical site, cemetery setting, and significant landscape features or noteworthy burial markers and funereal practices.

Special Considerations for HTC markers:

- HTC medallions can only be placed with a previously-awarded THC subject marker that provides interpretation for the cemetery.
- The narrative history component is not required if the sponsorship application is for an HTC medallion or for an HTC medallion with name and date plaque. It is required, however, for all other HTC markers. In all cases, though, a complete, current sponsorship application is required.

APPLICATION PROCEDURES

Any individual, group or county historical commission (CHC) may apply to the THC to request an Official Texas Historical Marker for what it deems a worthy topic. Only complete marker applications that contain all the required elements can be accepted or processed by the THC. For HTC markers with interpretive plaques, the required elements are sponsorship application, narrative history and documentation.

- Completed applications must be duly reviewed, verified and approved by the CHC in the county in which the marker will be placed.
- The sponsorship application, narrative history and documentation must be in the form of Microsoft Word or Word-compatible documents and submitted by email attachments to the THC no later than November 15, 2016. Paper copies of applications, whether mailed or delivered in person, cannot be accepted in lieu of the electronic version. THC email accepts mail no larger than 10 MB so the application and supplemental materials may need to be sent in multiple emails. Please note this in the subject line of the email.
- Required font style and type size are a Times variant and 12-point.
- Narrative histories must be typed in a double-spaced (or 1.5-spaced) format and include separate sections on context, overview and significance.
- The narrative history must include documentation in the form of reference notes, which can be either footnotes or endnotes. Documentation associated with applications should be broad-based and demonstrate a survey of available resources, both primary and secondary.
- **The CHC or Marker Chair will forward the application and narrative history to markerapplication@thc.state.tx.us.**
- Upon notification of the successful preliminary review of required elements by the THC, a non-refundable application fee of \$100 is required. Please send payment with the invoice which THC provides. Payment of the application fee does not guarantee approval of the historical marker.

- A signed form is required to show approval of marker placement by the cemetery administrator or landowner. This is due via email, fax or mail before December 9, 2016.

Once marker applications have passed preliminary review and the application fee and signed proof of cemetery administrator approval have been received by THC, the application will be scored to determine whether the marker will be submitted to the Commissioners of the THC for final approval.

The THC is unable to process partial payments or to delay payment due to processing procedures of the sponsor. Applications not paid in the time frame required may, at the sole discretion of the THC, be cancelled or postponed.
- Payment does not constitute ownership of a marker; Historic Texas Cemetery markers and other Official Texas Historical Markers are the property of the State of Texas.
- If, at any time during the marker process, sponsorship is withdrawn, a refund can be processed, but the THC will retain the application fee of \$100.
- The Official Texas Historical Marker Program provides no means of recognizing sponsors through marker texts, incising or supplemental plaques.
